PeopleSoft Training

While proper implementation of PeopleSoft is vital, effective training is fundamental to ensure superior performance and productivity. SpearMC provides students with valuable skills necessary to maximize your return on investment. Our training programs focus on combining standard functionality with real-life best practices. Classes are taught by seasoned experts with years of implementation experience.

Why train with SpearMC?

- North America's leading provider of customized PeopleSoft Training solutions
- SpearMC specializes in PeopleSoft
- Interactive classroom format
- Expert instructors with real-life experiences
- No student travel expenses
- Customizable solutions to fit your budget
- A fraction of the cost of an Oracle class

About SpearMC

SpearMC is a technology and professional services firm specializing in PeopleSoft. An Oracle Certified Gold Partner, SpearMC provides ERP Integration, Project Management, Training and Technology solutions. SpearMC is recognized throughout the industry as a knowledge leader.

On-site PeopleSoft Training

By choosing on-site PeopleSoft training from SpearMC, you obtain expert-level training at an exceptional value. Our classes are taught in a traditional classroom format, promoting interaction between instructor and students.

Advantages of On-Site PeopleSoft Training include:
- On-site training in your familiar environment
- Priced on a per-day basis, not per-student
- Student incurs no travel or lodging expenses

Online PeopleSoft Training

SpearMC's online PeopleSoft training is also available for users with diverse levels of experience. Our comprehensive Day-1 and Day-2 courses are geared for those interested to learn the latest version of PeopleSoft in a web-based, instructor-led setting. We stand behind our product with a 100% satisfaction guarantee.

PeopleSoft Focus Areas

Although course offerings are enhanced over time , our PeopleSoft training courses generally emphasize the following application suites:

- Financials and Supply Chain Management
- Human Capital Management and Payroll
- PeopleTools and System Administration

"I got explanations of the 'whys' of the processes I already do, and learned about other functionalities and tools that I would not have known otherwise.

- Satisfied client
